- **SHIPPING POLICY**

Shipping is available at the buyer's expense for an additional \$375 which includes airline ticket, crate, food and water containers, transportation from Beaumont Ca to nearest major airport and health certificate. Seller will ship at earliest convenience after puppy is 8 weeks old. We will also transport/deliver your puppy to you up to 400 miles at an expense of .40 a mile. (400 miles one way = 800 miles round trip = \$320) When the shipper picks up your baby or the baby is accepted by the airline, this is the same as if you take possession personally. Once the baby leaves Le Roy's Bullies we are no way responsible for any occurrences in connection with the baby. You as the new owner understand and agree that any shipper whether secured by you or Le Roy's Bullies represents you in that you are totally responsible for the puppy or dog once picked up by the shipping company or once accepted by the Airline Company. As a courtesy Le Roy's Bullies will make arrangements to ship puppies. If this is not possible, as the buyer, you agree to make arrangements to pick up or ship your pup by the available date shown unless prior arrangements are made by the buyer and agreed upon by the seller in writing.

Puppies that are shipped are at risk of Coccidia and Kennel Cough which is common in puppies that are shipped and are usually caused by bacteria. Kennel cough is self limiting and like the common cold, must run its full course. Full recovery is expected and kennel cough on its own is not life threatening. So, if you plan on having your puppy shipped instead of picking it up you need to be aware of this.

Purchaser agrees not to initiate a charge back on funds paid with a credit card or bank card for any reason. This includes payments made for you by other parties. Le Roys Bullies agrees to take back any dog/puppy (with all necessary paperwork), at any time after warranty expires, at no cost to Le Roys Bullies, if the new owner is unable to keep it. This will insure that the dog/puppy's future welfare is not jeopardized by being in a home where it is not wanted or placed in a shelter.

Our puppies are sold as PET QUALITY puppies. We do not guarantee your puppy to be able to sire or whelp puppies.

Please DO NOT take your puppy into public places, until the puppy has had ALL of its vaccinations (as recommended by your veterinarian) to ensure immunity against disease.
